

Discover the Antwerp Kempen

Welcome at Baalse Hei, a camping located in the middle of the whispering woodlands of The Antwerp Kempen. Baalse Hei is hidden in a nature reserve, close to culture and with plenty of sociability. It offers everything to recharge.

A paradise for walkers and bikers

Baalse Hei offers various walking possibilities and hours of cycling pleasure. Baalse Hei is situated in the middle of the new cycling network. One of the cycling routes is a former rail track, the route along the canal is wonderful.

Cycling: The cycle junction network will help you discover the Antwerp Kempen. Just follow the numbered green-white signs.

Hiking: several hiking networks link carefully selected hiking paths. The numbered red-white signs will show you the way.
