HOUSE RULES

1 ENTRY

If you want to enter the campsite, you must obtain the approval of the management. For this purpose it is necessary to deliver the identity document of each person for registration, according to law.

The access and presence of unauthorized persons at the campsite includes:

- violation of public safety
- Violation of Art. 614 of the Criminal Code (trespassing);
- Violation of Art. 633 of the Criminal Code (Local Injury and Building)
- Violation of Art. 624 of the Criminal Code (theft of services)
- offense for breach of contract

2 MINORS

Adults are responsible for the behavior of their children, they must ensure that anything that disturbs and / or endangers the safety and hygiene of other guests is avoided.

3 REGISTRATION OF THE PITCH

The pitch can only be chosen after consultation with the staff. Reserved pitches can only be filled with the consent of the management. All objects and cars must be correctly positioned in the parking space. Only one family is allowed per pitch.

4 VISITORS

Visitors can only enter the campsite during the day. The guest of the campsite must personally check that his guests have received the permission of the administration and moreover he is responsible for the correct behavior of his guests inside the place.

5 RESTING TIMES

Rest periods: 11:00 p.m. - 06:00 a.m.

It must be avoided at all times to harass other campers by loud behavior, games, noise-generating devices. During rest is prohibited:

- the use of stereo or noise-generating devices;

6 PROHIBITIONS

It is forbidden:

- to drop waste outside the designated container;
 - dig holes or drainage ditches in the ground;
 - damage the vegetation;
- to pour oils, fuels, hot or saline liquids and waste water on the ground;
 - to wash cars or other vehicles on the pitch;
- to wash dishes or laundry outside the designated washrooms and wash basins;
 - Water senselessly to consumers;
- To not tie things to trees or shrubs, to stretch ropes that are a danger to the free passage

7 WASTE SEPARATION

The campsite attaches great importance to the separation of waste. Within the facility are garbage bins and garbage bins.

We ask our guests to use them accordingly. Guests also need to collect organic waste produced by their pets.

8 PETS

We offer you your animals in the respect of all present in the camping, to guard and to lead on the occasion of the walks within the campsite.

DOGS UP TO MEDIUM SIZE ARE ALLOWED.

9 LOST OBJECTS

The items found at the campsite must be brought to the reception for legal reasons.

10 RESPONSIBILITY

The management assumes no responsibility:

- For any damage during the night walks in the campsite area
 - In case of theft of unattended objects;
- In the case of damage caused by other guests, force majeure. Natural disasters, insects, diseases and epidemics, plants (as well as branches or fruits) or other causes, which have nothing to do with the carelessness of the camping personnel. The owners are responsible for the operational safety of the facilities for electricity and gas supply in their own mobile homes and tents.

11 DEPARTURE

The booking is binding and the arrival and departure date must be respected. If not, the 50% of the holiday / days not spent must be paid. Upon departure please leave the pitch clean and in the best order. The management reserves the right to refuse those who in their opinion do not comply with the camping regulations or who interfere with the peaceful coexistence of the community or violate the interests of the site. Guests who have been deported or called to order must explicitly have permission from the management to come back. The access to the campsite means an approach and full compliance with these house rules which can be extended by the management at any time with additional regulations that might be necessary for a better service.

We thank you for your cooperation and wish you a pleasant stay at our Agricamping Mabellini Fam. Hafner
